About Me

As a driven and forward-thinking individual with a deep passion for Frontend Development and UI/UX design, I am constantly seeking new ways to blend technology with creativity. Currently pursuing my Computer Science degree at BINUS University, I thrive in both collaborative and independent environments, always pushing boundaries to deliver intuitive and impactful digital experiences. With a keen eye on the latest trends and innovations, I am dedicated to crafting user-centric solutions that not only look great but also enhance usability. I'm excited to channel my skills, creativity, and vision into dynamic, future-forward projects.
